## Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

## Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO publishes patent applications 18 months from the date of publication. The USPTO will delay the publication of an application if the applicant requests a secrecy order under 35 USC 181. The secrecy order must be filed within 90 days from the date of publication of the application. If the application is published after publication to the public, the applicant must file a secrecy order within 90 days from the date of publication. If the applicant does not file a secrecy order, the application will be published to the public. The USPTO will not publish the application if the applicant files a secrecy order within 90 days from the date of publication.
